ANSWERED ON:14.12.2016
Quality of Passenger Amenities
Khuba Shri Bhagwanth

Will the Minister of RAILWAYS be pleased to state:

(a) whether the Railways maintain quality of passenger amenities in the railway stations located in small towns;

(b) if so, the details thereof; and

(c) the steps taken to improve passenger amenities in such stations including Bidar and Gulbarga?

Answer

MINISTER OF STATE IN THE MINISTRY OF RAILWAYS

(SHRI RAJEN GOHAIN)

(a) to (c): It is Railways' endeavor to maintain passenger amenities at all Railway stations including those situated in small towns. Bidar is a 'B' category station and Gulbarga is an 'A' category station. Adequate passenger amenities like waiting hall, waiting rooms, platform shelter, drinking water arrangements, urinals, lavatories, high level platforms, Foot Over Bridge, seating arrangements etc. are available at the stations. Further augmentation/improvement of amenities at Railway station is a continuous process and works in this regard are taken up depending upon their inter-se priority and availability of funds.
